

## ESSER QUALIFICATION STATEMENT

Besides being a leader in Evidence-Based professional development and solutions, all Make A Way products/ services qualify as expenses under ESSER funding and The American Rescue Plan.

**Under Section 18003(c) of the Coronavirus Aid, Relief, and Economic Security Act, Pub. L. No. 116-136, LEAs receiving ESSER funds may use such funds for any of the following:**

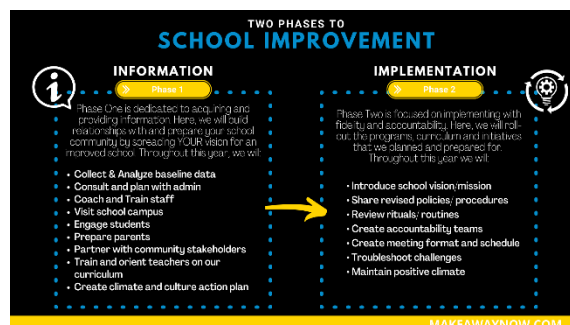

1. Provision of the resources necessary to address the needs of their individual schools to principals and others school leaders.

2. Activities to address the unique needs of low-income children or students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youths, including how outreach and service delivery will meet the needs of each population.

3. Development and implementation of procedures and systems to improve the preparedness and response efforts of LEAs.

4. Purchasing educational technology (including hardware, software, and connectivity) for students who are served by the local educational agency that aids in regular and substantive educational interaction between students and their classroom instructors, including low-income students and students with disabilities, which may include assistive technology or adaptive equipment.

5. Planning and implementing activities related to summer learning and supplemental afterschool programs, including providing classroom instruction or online learning during the summer months and addressing the needs of low-income students, students with disabilities, ELs, migrant students, students experiencing homelessness, and children in foster care.
